Cancellation and Missed Appointment Policy

Our goal is to provide quality individualized medical care in a timely manner. "No-shows" and late cancellations inconvenience those individuals who need access to medical care in a timely manner. We would like to remind you of our office policy regarding missed appointments. This policy enables us to better utilize available appointments for our patients in need of medical care.

No Show Policy:

A "no-show" is someone who misses an appointment without cancelling it in an adequate manner. A failure to be present at the time of a scheduled appointment will be recorded in your medical record as a "no-show." **If you are a one-day post op LASIK patient you will be considered a "No Show" if you are more than 15 minutes late for your post op appointment and you may need to reschedule your appointment.**

- **First missed appointment: \$25 fee** will be billed to your account
- **Second missed appointment: \$50 fee** will be billed to your account
- All Fees must be paid in full via cash, check or credit card within 30 days — this is not billable to any insurance companies.
- **Third missed appointment:** You may be discharged from our practice

Surgical Appointments:

- **Missed Surgical/Minor Procedure Appointment: \$250 fee** will be billed to your account
- **Late Cancellation/Late Reschedule of Surgical Appointment: \$250 fee** will be billed to your account

Cancellation of an Appointment:

In order to be respectful of the medical needs of other patients, please be courteous and call the Tylock-George Eye Care office promptly if you are unable to show up for an appointment. This time will be reallocated to someone who is in need of treatment. If it is necessary to cancel your scheduled appointment, we require that you call at least 24 hours in advance. Your early cancellation will give another person the possibility to have access to timely medical care.

How to Cancel Your Appointment

To cancel appointments, please call 972-258-6400. If you would like to reschedule your appointment our office staff can reschedule it for you during the call. If you are calling after hours you will need to call back during regular business hours to reschedule.

Late Cancellations:

A late cancellation is considered when a patient fails to cancel their scheduled appointment with a 24-hour advance notice.
